

List of authorised suppliers - London 2012 Olympic and Paralympic Games

(as at 1st January 2012)

adidas is the official sportswear partner of the London 2012 Olympic and Paralympic Games. adidas is also partner to Great Britain Olympic Committee, among others, and we have included within this list suppliers making products for the GB Team.

Being committed to transparency and public disclosure, we have prepared a complete list of London 2012 Olympic Games production, with the names and addresses of the factories per country. The list also shows the status of worker or trade union representation and whether there is a Collective Bargaining Agreement (CBA) in place at the individual facility.

All of our contract suppliers are subject to regular inspections by the adidas Group's Social & Environmental Affairs Team who check that working conditions meet the Group's Workplace Standards.
